

MATP
provides free
transportation
to and from
non-emergency
medical
appointments
for people on
Medicaid.

You may qualify to use MATP if

- You are eligible for Medicaid
- You are a resident of Allegheny County

MATP can provide*

- Free public transportation (bus, subway and incline) ahead-of-time tickets
- Reimbursement for your use of public transportation or a private car
- Free door-to-door service, when medically necessary, via shared-ride or ride-hailing service

MATP provides free transportation to and from these MA-billable appointments

- Non-emergency medical trips related to your physical health
 - Doctor appointments
 - Dental appointments
 - Pharmacy visits to get prescription medication (not available with ride-hailing)
- Non-emergency medical trips related to your mental health counseling
- Non-emergency medical trips related to counseling and treatment for drug and alcohol dependency
